

Global CyberSoft Announced Successful “Go-Live” of SAP® HCM Solution at VPBank

Ho Chi Minh City, March 10th 2016

Global CyberSoft (Vietnam) JSC (GCS) - A leading IT solutions & services provider in Vietnam, announced a successful implementation of SAP Human Capital Management (SAP® HCM) Solution for Vietnam Prosperity Joint-Stock Commercial Bank (VPBank).

SAP® HCM is one of the major SAP solutions, a comprehensive platform that plays important role in building an organized human capital management in enterprises. SAP® HCM allows VPBank to structure entire HR processes in a centralized and unified system. Hence, many tasks and functions can be automated thus reducing manual works and increasing efficiency.

After 8 months of unrelenting drive towards the project goals and thanks to a close collaboration between project teams of GCS and VPBank, 5 modules were implemented and delivered to VPBank, including HR Core (OM & PA Enhancement); ESS/MSS: staffing processes; Time & Attendance Management: leaves, work shifts and overtimes management; and E-Recruiting - a fully automated web-based recruiting process.

Commenting on the successful implementation, Ms. **Huynh Thi Ngoc Truc**, Head of Human Resources of VPBank, said, *“Although there are other remaining modules to be implemented in 2016, we consider that this project outcomes illustrate the first and foremost efforts of both VPBank’s and GCS’s project teams. I am proud to be a member of such a great team who always thrive to combat numerous challenges, achieve their targets at highest responsibility and determination”*

Mr. **Vu Dinh Thang**, Vice President - Enterprise Business Solutions, GCS, said *“This success was a marvelous result of the strongest partnership, commitment from both sides”*.

Previously, VPBank and GCS co-organized “The Launching Ceremony of SAP Human Capital Management solution in 2015” gala dinner on 23rd Dec 2015 to mark the project milestones and deliverables as well as expressing their thanks to the related parties.
