Vietnam IT Outsourcing Alliance
Connect to promote Vietnam IT outsourcing sector

Follow the success of Vietnam IT Outsourcing Conference 2015 (www.vnito.org), aiming to promote and develop Vietnam IT Outsourcing sector, connect Vietnam software outsourcing enterprises, create a bridge between software outsourcing enterprises and the government, VNITO 2015 Organizing Committee and Software Outsourcing Club (SOC) have decided to merge and establish Vietnam IT Outsourcing Alliance (VNITO Alliance).

VNITO Alliance includes Board of Directors (BOD), President, and other member ITO enterprises. BOD includes 12 leaders of Quang Trung Software City (QTSC), Ho Chi Minh Computer Association (HCA), TMA Solutions, Global Cybersoft Vietnam, Harvey Nash Vietnam, LogiGear, LARION Computing, IMT Solutions, ISB Vietnam, Kyanon Digital, Sunrise Software Solutions, Success Software Services. President of VNITO term 2016 – 2017 is Mr. Lam Nguyen Hai Long, CEO of QTSC. Member enterprises of VNITO Alliance will be invited to participate in VNITO activities and be updated their information on website www.vietnamitodirectory.com, with no annual fee.

In 2016, VNITO is organizing promotion tours to the U.S., Japan and other markets such as New Zealand, Singapore and Europe as well as organize several periodic workshops to build up Vietnam ITO community. In this March, VNITO alliance has organized the seminar: "Vietnam software outsourcing enterprises – How to go thrive and develop strongly".

VNITO Alliance is expected to invite 200 ITO enterprises to join in 2016 and will be the leading choice of foreign partners for software outsourcing demands.
